

Appl. No. 10/809,358
Amendment dated: November 25, 2005
Reply to OA of: August 25, 2005

REMARKS

Applicants have amended the claims to more particularly define the invention taking into consideration the outstanding Official Action by restricting the application to the allowed subject matter of claims 16 through 22. Claims 1-15 have been cancelled from the application without prejudice or disclaimer in an effort to expedite the prosecution of this application to an early allowance. Applicants retain all rights to the canceled subject matter which may be claimed in a further continuing application.

In view of the above comments and further amendments to the claims, favorable reconsideration and allowance of all of the claims now present in the application are most respectfully requested.

Respectfully submitted,

BACON & THOMAS, PLLC
